Job Corps is a **tuition-free** training and education program that connects eligible young men and women with the skills and educational opportunities they need to establish real careers.

There are 126 Job Corps centers across the nation.

Job Corps is open to ages 16 through 24.

Training programs are hands-on and take between 8 and 15 months to complete.

Job Corps requires hard work, focus, commitment, and motivation.

80% of Job Corps graduates either enter the workforce, join the military, or go on to higher education or an apprenticeship.
